Assistant Commissioner for Patents Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed July 16, 2002 and in connection with the Request for Continued Examination filed herewith, Applicants respectfully submit the following amendments and comments in connection with the above-captioned application.

IN THE CLAIMS:

Please amend the claims to read as follows:

13. (Twice Amended) A roller skate chassis assembly for attachment to a skate boot, the chassis assembly comprising:

a forefoot section and a heel sections

a pair of laterally spaced long tridinal support members spanning the forefoot and heel sections of the chassis, each support member having a substantially planar lower portion, the lower portions being parallel to each other and adapted to receive a plurality of skate wheels therebetween;
